Fred,

I just don't know how to express my thanks for your kindness and understanding. We've been through so much together that it is hard to think of. Through all of our trials and tribulations with Richard Leon, Kathy Mapes, Earl & Eugene, and all of our merry times in the great old town of Harrington. With our great cars the "55" and the "57" we always made it (but sometimes of wonder if we were going to make it back).

Through all our trouble with that famous person of the saying "tickle-me-pink", to your problems with (R) and R.B. May good fortune come your way. Next year and I will always treasure your friendship.

a friend always

THE 1969 BULLDOG

We moved to the wrong track--she put us on the right one. We wanted to give up--she gave us a reason to work and reach a goal. She imbued us with the desire to struggle to better ourselves. Because of our high regard for her and our appreciation for her great concern for our future, we, the Class of '69, dedicate the 1969 BULL-DOG to MRS. RUTH COOPMAN.

Homecoming Queen '69

Student Council

This year the Student Council of Linden High School has been booming with spectacular ideas. Some materialized, providing the students with a bit of diversion.

To begin the year, and in order to "set the mood" for school, a Back-to-School Dance was held. That dance was followed by a Halloween Dance complete with ghosts and goblins.

In December the student organization sponsored the annual Homecoming Dance. Jane Linzie was crowned queen. Her attendants were Janice Airey, Donna Brandon, and Marty Klinker.

Other events sponsored during the year were Dress-up Day, Hag-Day, and the finale of the year--Awards Night.

Student Council President Rusty King, Student Council Sponsor Mr. Lutterloh, Members Larry Smith, Donna Brandon, Janet Horney, Nancy Ward, Sue Shirley, Jenny Cowden, Cindy Short.

Each year two juniors, a girl and a boy, are chosen to represent their school at the Hoosier Girls' State and the Hoosier Boys' State sponsored by the American Legion Auxiliary and the American Legion. The chosen two spend a matchless week on the campus of Indiana University intermingling with people their own age from every section of the state. The chief goal of the Boys' and Girls' State is for those attending to become more fully acquainted with our state and local governments. This is to help prepare members of our generation for the future leadership of our country. Leadership, high grades, and personality rank high among the qualifications considered by the committee selecting students as representatives from each school.

This year MARY VAN JOHNSON was chosen as representative to Girls' State and GARY DENHART was chosen as representative to Boys' State.

SPORTS

FOOTBALL was introduced this year with the formation of the Junior High Football team. Space was limited, but, undaunted, the team stored uniforms and equipment on the stage, turned the baseball diamond into their practice field, and entered into the county competition with gusto. A fractured collar bone and a broken nose marred an early game, but did not dampen the team's enthusiasm.

Fred,

So a real nut. I've cooled down now, Fred!!
I'm sure I'll say the right things. You're a
real neat classmate and you're lots of fun
to be around. Stay as quiet and shy and
sweet (HA! HA!) as you always are.

A classmate,

Freddie,

You're really a terrific guy.
Always joking around and
having fun.

I'll never forget what you
told me about one certain
girl in your class. I couldn't
hardly believe it, but from
you, I guess I just have to.

Love ya,
Marty

Fredrick Harold Harshman,
Well, old buddy, it's just

gobs of fun together this year
and I hope they continue until

I have to leave. Too bad you can't
go on the trip with us. Ben will

raise all kinds of hell! Don't get

your ass in a jam next year

and you'll be a proud man! (HA.)

DEAR FRED:

To my old ~~ag~~ buddy. We've had lots of
fun in old Huffer's Ag class cutting
up and laughing but never getting in trouble.
I'll never forget some of the trips we
made East. Haha. Just keep up the
good work and you'll turn out like me
next year in Huffer's Ag class. A
brownie. Lots of luck next year and
all the dumb-wacker.
